

## 1. Identification of the substance/preparation and of the company

### Product details

**Trade Name:** L-Aspartic Acid

**Product Name:** L-Aspartic Acid

**Catalogue-No.:** M6091

### Manufacturer /Supplier:

Genaxxon BioScience GmbH, Söflinger Str. 100, 89077 Ulm/Germany.  
Tel.: +49 (0)731 3608 123

### Further information available from:

Genaxxon BioScience GmbH, Söflinger Str. 100, 89077 Ulm/Germany.  
Tel.: +49 (0)731 3608 123

### Information in case of emergency:

Poison Information Centre Mainz, Germany  
Tel.: +49 (0)6131 19240 / 24 h

**MSDS-No:** aspartic/1

**NOTE:** If this product is a kit or supplied with more than one material, please refer to the MSDS for each component for hazard information.

### Product Use:

This products are for laboratory research use only and are not intended for human or animal diagnostics, therapeutics or other clinical uses.

## 2. Composition/information on ingredients

### Chemical characterisation

Product Name	Hazardous symbol	CAS #	EC no	Annex I / Index Number
L-Aspartic Acid		56-84-8	200-291-6	none
<b>Synonyms</b>	<b>(S)-Aminobutanedioic acid – L-Aminosuccinic acid – Asparagic acid – L-Asparagic acid – H-Asp-OH</b>			
<b>Molecular Weight:</b>	133.1 g/mol		<b>Formula:</b>	<b>C4H7NO4</b>

## 3. Hazardous identification

**Hazard description:** Not hazardous according to Directive 67/548/EEC.

### Information concerning particular hazards for human and environment:

Not applicable.

## 4. First-aid measures

**After inhalation:** If inhaled, remove to fresh air. If not breathing give artificial respiration. If breathing becomes difficult, call a physician.

**After contact with skin:** In case of contact, immediately wash skin with soap and copious amounts of water.

**After contact with eyes:** Rinse immediately with plenty of water and seek medical advice. Assure adequate flushing by separating eyelids with fingers.

**After swallowing:** If swallowed, wash out mouth with plenty of water provided person is conscious. Call for doctor immediately.

#### **5. Fire-fighting measures**

**Suitable extinguishing agents:** Water Spray. Carbon Dioxide. Dry chemical powder, or appropriate foam.

**Special risks:** Specific Hazard(s): Not inflammable. Fumes heavier than air. Emits toxic fumes under fire conditions.

**Protective equipment (For firefighters):** Wear self-contained breathing apparatus and protective clothing to prevent contact with skin and eyes.

#### **6. Accidental release measures**

**Procedure(s) of personal precaution(s):**

Exercise appropriate precautions to minimize direct contact with skin or eyes and prevent inhalation of dust.

**Measures for cleaning/collecting:**

Sweep up, place in a bag and hold for waste disposal. Avoid raising dust. Ventilate area and wash spill site after material pickup is complete.

**Additional information:** None.

#### **7. Handling and storage**

**Handling**

**Information for safe handling:** Avoid inhalation. Avoid contact with eyes, skin, and clothing. Avoid prolonged or repeated exposure.

**Information about fire – and explosion protection:** No special measures required.

**Storage:**

**Requirements to be met by storerooms and receptacles:** Keep bottles well closed.

**Information about storage in one common storage facility:** Keep bottles well closed.

**Further information about storage conditions:** Keep tightly closed. Store at RT.

**Special requirements:** No special measures required.

#### **8. Exposure controls / personal protection**

**Additional information about design of technical facilities:** No further data.

**Limit values for industrial safety:** TWA 15 mg/m<sup>3</sup>

**Engineering controls:** Safety shower and eye bath.

**Personal protective equipment:** Respirator, chemical safety goggles, heavy rubber gloves.

**General protective and hygienic measures:** The usual precautionary measures are to be adhered to when handling chemicals.

**Respiratory protection:** Use respirator.

**Protection of hands:** Heavy rubber gloves.

**Materials of gloves:** The selection of suitable gloves does not only depend on the material, but also on further marks of quality and varies from manufacturer to manufacturer.

**Eye protection:** Chemical safety goggles.

## 9. Physical and chemical properties

### General Information

**Form:** Powder - Solid  
**Colour:** White

### Change in conditions

**Melting point/Melting range:** 270°C  
**Boiling point/Boiling range:** No data available

**Flash point:** Not applicable

**Self-ignition:** data not available

**Danger of explosion:** data not available

**SG/Density:** 1.66 g/cm<sup>3</sup>

**Solubility in / Miscibility with water:** soluble  
solvent: complete, colourless 0.5 M in HCl (1M, 20°C)

**pH value at 20°C:** ca. 2.8 (conc.: 4.5 g/L)

## 10. Stability and reactivity

**Stability:** Stable

**Thermal composition / conditions to be avoided:** Avoid strong heating.

**Materials to avoid:** Strong acids, Strong bases, Strong oxidizing agents, Nitric acid.

**Dangerous decomposition products:** Carbon monoxide, Carbon dioxide, Nitrogen oxides.

**Hazardous Polymerisation:** Will not occur.

## 11. Toxicological information

### Acute Toxicity

LD50 (intraperitoneal – Mouse): 6 g/kg (water free substance)

### Irritation Data

Skin (Rabbit) No irritation effect

Chronic Exposure (Mutagen)

Human 10 mg/L (cell type: lymphocyte): Effect: sister chromatid exchange

**Sensitisation:** No data available.

**Signs and Symptoms of Exposure:** No data available.

### Additional Toxicological Information

**After inhalation:** May be harmful if inhaled. Material may be irritating to mucous membrane and upper respiratory tract.

**After skin contact:** May cause irritation of skin

**After contact with eyes:** May cause irritation of eyes

**After swallowing:** May be harmful if swallowed.

The product should be treated with usual precautions while handling chemicals.

To the best of our knowledge, the chemical, physical, and toxicological properties have not been thoroughly investigated.

## 12. Ecological Information

### Biological Degradation

Biological Degradableness: good (>70%). (Good to eliminate.)

### General notes:

If handled accordingly no ecological problems are expected.

## 13. Disposal considerations

### Product:

**Recommendation:** Must not be disposed together with household garbage. Contact a licensed professional waste disposal service to dispose of this material. Observe all federal, state, and local environmental regulations.

### Uncleaned packaging:

**Recommendation:** Disposal must be made according to official regulations.

**Recommended cleaning agents:** Water, if necessary together with cleansing agents.

## 14. Transport information

### Land transport ADR/RID (cross border)

**ADR/RID class:** Non-hazardous for road transport.

### Maritime transport IMDG:

**IMDG Class:** Non-hazardous for sea transport.

**Marine pollutant:** No

### Air transport ICAO-TI and IATA-DGR:

**ICAO/IATA Class:** Non-hazardous for air transport.

## 15. Regulatory information

### Classification and Labelling according to EU guidelines:

Indication of danger: None

S-Phrases: 24/25-22

Avoid contact with skin. Avoid contact with eyes. In case of contact with eyes, rinse immediately with plenty of water and seek medical advice. If swallowed, do not induce vomiting; seek medical advice immediately and show label.  
Do not breathe dust.

Not hazardous according to Directive 67/548/EEC

**National Regulations:** Germany

**Waterhazard class:** Water hazard class 2 ( Self-assessment).

## 16. Other information

The above information is believed to be correct but does not purport to be all inclusive and shall be used only as a guide. The information in this document is based on the present state of our knowledge and is applicable to the product with regard to appropriate safety precautions. It does not represent any guarantee of the properties of the product. Genaxxon BioScience GmbH, shall not be held liable for any damage resulting from handling or from contact with the above product. See reverse side of invoice or packing slip for additional terms and conditions of sale.

### Disclaimer

This product is for R&D use only. Not for drug, household or other uses.
